Dear Members of Hopewell Baptist Church,

One of the things I am so grateful for at this time of year is those who so faithfully donate to Hyles-Anderson College. You bless us in the work of the Lord by your financial support and help us accomplish more than we might without you.

We are in our second semester of college with some of the best young people in the world. Many of these students are from the U.S., but many of them are children of missionaries who are serving all across the world. We also have a number of F1 (foreign) students who are training with us. During the fall semester, our students won more than 2,600 souls to Christ and were able to present the Gospel to over 13,000 individuals. We rejoice that many of these converts have been discipled through the *Foundations of My Faith* discipleship program. Your investment is reaping eternal dividends.

We are grateful to every pastor who sends their students our way, and this year, we had 153 different pastors who had a student in Hyles-Anderson College. What a blessing.

Thanks to generous donors like you, we have made several campus upgrades. Some of these upgrades were replacing windows, putting new roofing on our aging buildings, and adding beautiful new furniture in the front lobby. One of the most exciting projects was creating a WRTW radio studio at the college. This will eventually enable students to learn and participate in all things radio. It is a great training tool.

It is a blessing to see our graduates serve the Lord effectively and globally because of sacrificial investors as you have been. Thank you for believing in the college and for believing in the mission we are accomplishing here. Please pray for us as we partner with you in educating, equipping, and empowering young people for God's work.

Sincerely,

So grateful!
