MISSIONARIES TO GUATEMALA

November 2026

Dear Praying Friends,

While out soul winning recently, we heard a loud pop and turned to see a bird fall from an electrical wire. At that same moment, a woman stepped outside because her power had gone out. What seemed like an interruption quickly became a divine appointment. As we talked, the conversation turned to Jesus Christ and His sacrifice on the Cross. She listened attentively as we showed her from the Bible how she could know for sure she was on her way to Heaven, and before we left, she had trusted Christ as her Saviour. Once again, we were reminded that God often uses the most unexpected circumstances to draw people to Himself.

We would greatly appreciate your prayers during this season of ministry. As a missionary family has returned to the United States because of health concerns, we have been helping to care for a congregation in Santa Lucía Milpas Altas and are asking the Lord to provide the right pastor to lead this work. We are also praying for more laborers here in Guatemala and for God's provision of a suitable building as we prepare to start a new church in San Andrés Itzapa. Thank you for partnering with us in prayer as we seek to follow the Lord's leading and reach more people with the Gospel.

We are grateful to report that God continues to bless our church building project. Through His provision and the faithful generosity of churches and individuals like you, we have completed the tile flooring, electrical and plumbing work, interior walls, purchased all the windows, and finished the drop ceiling in the auditorium. It has been a joy to watch the Lord provide, often at just the right moment. Every step forward stands as a testimony to His faithfulness and to your partnership in the ministry.

As we move toward the completion of this project, we are thankful for how far the Lord has brought us. When construction began, the total budget was $150,000. By God's grace, only $55,000 remains to complete the building. We are praying specifically for God's provision of the remaining needs: $20,000 for labor costs, $10,000 for ceiling and lighting, $10,000 for doors, $12,000 for auditorium carpet, and $3,000 for paint.

Thank you for your continued support, encouragement, and prayers. Every prayer offered and every gift given has played a vital role in reaching souls, strengthening churches, and bringing this project to its present stage. We look forward to sharing how God continues to work in the days ahead.

His for souls,

Daniel and Misty Wilder, Charity, Emily, Hannah, Serenity, Benjamin, and Aliyah
