

Dear Fellow Laborers,

God continues to show His goodness and wonderful works!

We recently returned from Kenya, where we ministered alongside Missionary Cory McDonald, his wife, Elisabeth, and their wonderful children. What a blessing to lead Bible studies, preach, teach at the Bible college, and share the Gospel in Ruaka, a town of approximately 50,000 people. Men, women, and children trusted Christ! One of the new converts attended church the very next day and expressed a desire to enroll in the Bible college. On Sunday, graduates of the college were recognized. God is greatly using this ministry to reach Kenya!

On Sunday afternoon, we had the opportunity to visit a tea farm. Kenya is the third-largest tea producer in the world. The fields were beautiful, green, and fragrant, with rows that seemed like a maze to walk through. We learned about the harvesting, drying, fermenting, and packaging of tea. Since Robin is a big tea fan, this was especially enjoyable for her! God also provided some unexpected divine appointments during our flight to Kenya. Through what seemed like a providential seat assignment, I met an executive with Starlink who expressed interest in helping provide Wi-Fi to a remote area where we work. I also met the director of an orphanage who is interested in learning how TAN can assist with the Bible training program in their ministry. It is exciting to see how God can use even a seat assignment on an airplane to open doors for ministry!

Our next Bible college launch is planned for the beginning of December in Thailand.

Thank you for your faithful support, prayers, and encouragement as we continue working to establish Bible colleges around the globe. We are grateful to have you as fellow laborers in this work!

Spoiler Alert! After Kenya, we flew to India! More details next month!
