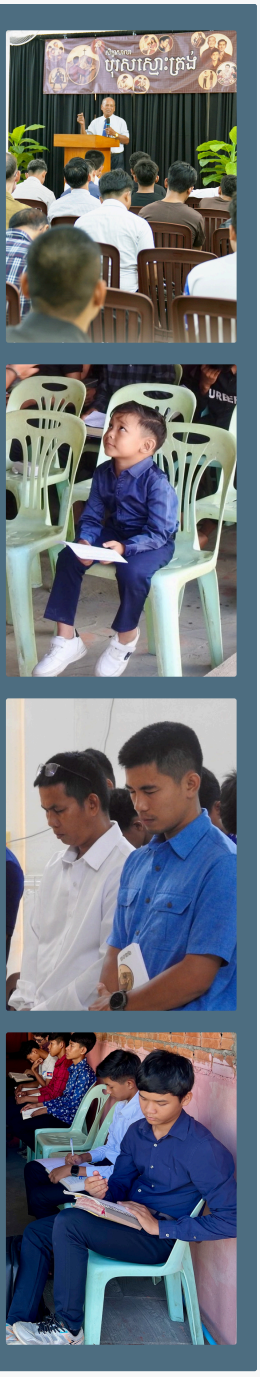
PHNOM PENH, CAMBODIA

Dear Praying Friends,
Last week we conducted our 7th annual Faithful Men conference and we were blessed with about 75 men in attendance from all over Cambodia. Although the conference lasts only 24 hours, we always pack a lot into those brief hours together. 4 sermons, 4 split sessions, 3 meals, and lots of joyful singing, fellowship, and laughter. As in every previous year, the conference was a challenging and encouraging time. Please pray for these men, that God would help them to stand firm for Christ.



In recent letters , I have asked prayer for a lady named **Anita** for salvation. Next week, she will be going with a group of our ladies to the ladies conference in Siem Reap province. Another unsaved lady named **Chanto**, who has attended church several times recently, will also be going on the trip. Both ladies have expressed the desire to know more about the Gospel, and there will be ample opportunity for teaching them during this trip. Please pray for both Anita and Chanto to come to Christ and also pray for an encouraging time of spiritual renewal for our entire group.

Regarding the serious situation for which I requested special prayer in our last letter, the problem is not yet resolved, but we have seen some minor victories. Please continue to pray for this unspoken request.

I would like to close this letter by asking you to pray for my dad. As many of you know, he was the pastor of our sending church, up until his retirement 2 years ago. Over the past couple of years, he has been suffering with dementia, but last week he took a drastic turn for the worse. It appears that he is getting close to going home to be with the Lord. I would be so grateful if you would pray for him to be able to rest peacefully and for God's grace and comfort for our whole family, but especially for my mother.

Sincerely,
Stephen Benefield
