November 2026

Dear Praying Friends,

1 Corinthians 15:58 (KJV)

"Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."

The summer groups have gone home, but the work has not slowed down! The Lord has kept us busy reaching souls, baptizing believers, and training men to serve Him.

September was a month of finishing well. Our last groups of the summer came with Pastor Ely Reynolds from Gethsemane Baptist Church and Pastor Mike Ray from Hopewell Baptist Church. Together we showed the Jesus film (the cartoon version, which has been very impactful) in many villages.

One of the greatest blessings of the whole year came while Pastor Ely Reynolds and Pastor Mike Ray were here. We baptized about 10

converts from our discipleship program in Bartolo! In this area, many families have held to the old Catholic tradition for generations, and many people believe they almost have to be perfect before they can be baptized. Because of that, it takes a lot of work, effort, and teaching to get someone baptized here. That made this day even sweeter. A couple of them were men I had the joy of leading to the Lord last summer. To watch them grow in the Word and then follow the Lord in baptism was a special blessing.

The church in Suyapa is doing well. Attendance still goes up and down, but we keep preaching, keep reaching, and keep working to build it up. The ministry at the hospital and with the police continues to move forward, and we are praying about starting a new project with the police very soon.

October and the start of November have been full of soul winning. Over the last three months, about twenty people have been saved through personal soul winning! There has been a lot of work right here in Cantarranas.

I have also been teaching soul-winning clinics in a couple of different churches, and they have gone very well. We have another clinic on November 15.

The Lord has also brought a new young man into my life, Reinaldo Gonzáles ("Chele"). Chele now spends a couple of days a week with me. He is very hungry for the Lord and wants to be used by God, and it is a joy to disciple him.

Olvin and Sandro are with me every day, learning and growing. Soon we will give them more responsibility, like teaching a Sunday school class, to help build their confidence. We are very thankful to Final Frontiers for getting Olvin a motorcycle. Now he can reach the villages much more easily!

Pastor Wilson and I are also working on possibly placing a pastor in the Coffee Village to help rebuild the ministry there.

We want to welcome Gethsemane Baptist Church in Long Beach and Pastor Ely Reynolds, who recently took us on for monthly support and added our family to their missions prayer list. It is a blessing to have them as partners in

the work.

We also want to say a special thank you to Brother Lee Headley. Time and again, he has been willing to help whenever there was a need, always with a kind and willing heart. His friendship and encouragement have been a real blessing to our family and to the work here in Honduras.

Please Pray

In God's grace,

Rayan & Michelle Silie
