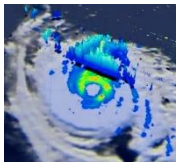
Rain Storms & Typhoons

Philippine weather for the most part is sunny, hot and humid but not so bad... However, Typhoons & Tropical Storms are the Terror of the Filipino Citizens, in that, the Philippines is made up of 1000's of Islands and miles of ocean shore line. This adverse weather that hits the Filipino waterfronts are full of: deadly winds; deluge of heavy rains;



(Satellite imagery - extensive Storm damage)

yet the worst of all is the unpredictable "storm surges" that bring flooding from 4 to 20 feet in depth. Typhoon Champi (also called "Rosal") hit the Philippines this month of Oct. 2026 creating much damage in the north Philippines...

(In 2013, Cat. 5 Typhoon "Yolanda" killed 1000's of people sweeping them out to sea)

Salvation of Many Souls

The real Joy of Missionary Ministries is to experience many humble people who no longer depend on "religion" (sacraments); church association; nor their "good works" but are Saved by **Grace** through **Faith** in the Death, Burial & Resurrection of Jesus. **-Then-** to see them begin **attending** Ch.

Above five pictures illustrate our outreach to many Filipinos (BTW: Philippines has a very young median age); Discipleship of the Police men and women to grow in the understanding of Salv. & Bible Doctrine.

Church Ministry Growth

Our local church ministries are growing in: more visitors; souls saved; many converts visiting; and maturing Christian Believers. **Big thanks for your many helpful gifts!**

(Naga am Ch Service - Pastor's fam. sings)

It is a milestone when converts grow into a vibrant testimony of what The Lord did for them individually! Plus: many of our older converts are even learning to be Sun Sch teachers & leading in other ministries that in turn allow the Church Family to grow.

Visits of USA Pastors

(Pastor Cowling, Jordan F. & a convert Kristen F. Pastor Dias & Missionary "AJ")

There is such a great Revival when USA Pastor friends come to be a blessing; help in our ministries; see our Vision in person; & to challenge our Ch people to stay busy.
