Serving in Mexico Since 1969

November 2026

Dear Praying Friends,

God has been so good to us. We have seen God work in every meeting in which we have had a part—people saved, lives surrendered, and pastors and workers challenged for service. Since our March update, we have been in six Missions Conferences and ten Pastors' and Workers' Conferences. We have also spoken in churches of several of our graduates for special occasions.

We appreciate so much your part in making it possible for us to serve in this ministry. We ask that you pray for our health and for strength as we travel. Our most recent trip was to the Philippines, where we were with Missionary Doug Sisson in General Santos and Pastor Jose Conui outside of Manila. God blessed with twenty-three people surrendering to full-time service. The generous people of Mount Calvary Baptist Church in General Santos gave an offering of $1,000.00 for our institute dormitory!

Please continue to pray for our ministry property recovery project. We believe that God will give us a victory. Please pray for the finances needed to finalize the details related to this.

Our 2008 Mercury Mariner has been very reliable for the three years we have been driving it. It has 180,000 miles on it. Please pray with us concerning the need to replace this vehicle.

We are in the process of reevaluating our publications ministry. We would like to create a website which would make our 30-plus ministry-related books available digitally to the many pastors and workers in need of training materials, especially in the Spanish language. If you have any recommendations, we would appreciate their contact information.

Again, we appreciate your faithful support and your prayers for us personally and for our ministry. We could not do what we do without you.

Yours for souls,

Bro. Tommy and Emily Ashcraft
