Dear Prayer Warriors,

I am thankful to be able to work with a group of missionaries where we have many opportunities to do different ministries. During the Pastors' and Workers' Conference in August, I helped with the children's sessions and the nursery. It was exciting to see the children opening up and reading from their Bibles.

The Children's Session

Visitor Prize Winners

Thank you for praying for the Vacation Bible School that was held in Mamponteng; it was a huge success. Your financial giving helped provide snacks, candies, and prizes. There was a total of 387 children who attended, and **156 of them said they put their faith in Christ. Their church is still making follow-up visits. Pray for these children to grow in Christ.** I visited the church in Mamponteng the last week in September in order to help train their new Sunday School teacher, Emmanuella. Please pray for her in **understanding classroom control.** Thank you to those who have **been praying for Seth**, the boy with the medical problem. It looks like his surgery may happen in January.

The ministry in Kunsu is always busy. We just finished up a Bible Club at a location that is a 30-minute walk from the church. Our second week at that location, **there were 10 children who visited church**! What a blessing that was! **Please keep praying for their parents to come to church.** It is encouraging to see the Bible Club workers become more involved and improve in their teaching skills. It has also been exciting to have the Bible Club workers join us in Saturday visitations as we make follow-ups with the Bible Club children! Please continue **to pray for Emmanuel as I work with him** and teach him how to create Junior Church lessons.

Saturday Kunsu Crew

KG2 Chapel

On September 8, our school started up again. We have a new student, Rose, who has cerebral palsy, so it has been interesting to help the teachers with learning how to work with her. Classes are busy and full with plenty of students. I am teaching chapel again with our younger students. **Please continue to pray with me that the FBA teachers will have understanding when they teach.**

In October, I started in the public school ministry again. A teen girl, Arrabella, who attends our school, wanted to come as well. She has been translating for me on Wednesdays, while Eric helps on Fridays. We have been going to primary and middle schools. **It has been exciting to see the public school teachers listen and even answer my questions. Please pray for these students to grow in Christ.**

Can you believe it? In a month and a half, we will have Christmas! In Kunsu, we are excited to plan to do **four Christmas Bible Clubs—three of them will be in new locations!** The students at Fundamental Baptist Academy are getting prepared for their **annual Christmas play.** I will help Miss Rhoda at her **Bible Club, as she plans a Christmas party** during the school vacation. Bro. Emmanuel in Mamponteng is enjoying **teaching the Junior Church** a song for them to perform in the Christmas service. **Please join me in praying that the many people who come to our Christmas activities will make decisions to put their faith in Christ.**
