*We* praise the Lord for another year at Hyles-Anderson College. He has allowed us to open for our 52<sup>nd</sup> year with our highest fall enrollment since 2016. The spirit of our student body is amazing, and we are anticipating what the Lord will do with this group of students dedicated to serving Him.

This past year, we have been able to do many needed campus upgrades. Thank you to all who have contributed time, money, and resources to these projects. We are excited about the future of Hyles-Anderson College. With the Lord's help, and with your faithful support, we will strive to continue to educate, equip, and empower the next generation of Christian servants to make an impact in this world for the cause of Christ. Thank you so much for partnering with us in that endeavor.

## PROJECTS IN PROGRESS

- Guest Accommodations Renovations
  - Access Control System
  - Campus Internet Upgrades

## Introducing...

Bro. Dan Nelson ('96), along with his wife Angey, joined our team last summer after spending the past 26 years as an assistant pastor and facilities manager at Gospel Light Baptist Church in Marion, Iowa. He will be managing many of the campus improvement projects as the Facilities Director overseeing the Maintenance and Grounds Departments.

If you have any interest in helping us with these future projects, you may contact him at [dan.nelson@hylesanderson.edu](mailto:dan.nelson@hylesanderson.edu).
