Dear Praying Friends,

We are overjoyed that we are now building the studio for the radio station in Burundi. **Christian Radio International (CRI) gave us what we needed to build the studio.** They also gave us the equipment we used in Rwanda, which we will be putting to use again in Burundi. I want to encourage all churches to support that ministry. They have been building radio stations all over the world for many, many years. **Please help them to do even more!**

**In October**, I was back home in Uganda and spent the time working on vehicles, planning the design of the studio, and preparing to go back to Burundi. **In November**, I spent three weeks in Burundi working on the studio building. Actually, I was watching and organizing while others had the fun of digging in the mud to lay the foundation. The studio is now half-built, and the cement was poured for the second floor. Kenneth and I also finished the tower.

Let me also take time to give some **updates on our children**. Caleb and Hannah are both seniors at Hyles-Anderson College and doing well. Back in September, Timothy also started there as a freshman. He actually made the plane trip back to the States by himself; and Grandpa, Bro. Warren Storm, helped him for a week to get settled in college.

Angela is still teaching Virginia, Micah, and Zachery at home; but because there was a problem getting curriculum for Virginia, she got a bit behind while the others kept working. The result is that the last three children are all in the 11<sup>th</sup> grade together!

Finally, we just purchased plane tickets to take a **furlough next year**. **Please contact us if you would like us to visit your church.** We are available from May to September 2024. Thank you so much for your prayers and support.

In His service,

Gregg, Angela, Caleb, Hannah, Timothy, Virginia,  
Micah, and Zachery Schoof
