

The Lerrisse Family

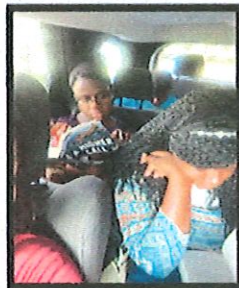

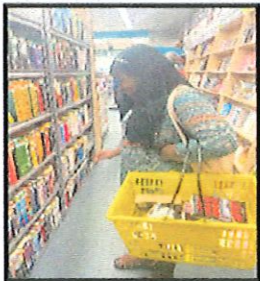

Missionaries on the Island of Hispaniola

Sept, Oct, Nov 2023

On September 16 our family traveled to the States at the invitation of several churches and took a two and a half month furlough. We traveled over 11,700 miles in those two months, were in 24 different churches, were encouraged by many friends, met many new ones, saw our son Bj in college, rejoiced with my mother in law over God's graciousness in her life to give her a wonderful recovery after a major cancer surgery, and finally made it back home to our corner of the world on December 1st..

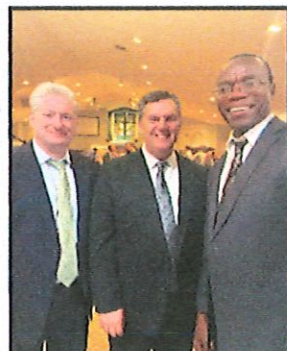

Annual Read-a-thon

During this two and a half month furlough, Beloved led the children in their 9th Lerrisse family Grow and Serve Readathon raising money for our annual community Celebration of Jesus service. We are buying clothes for the children and preparing for our community to come out and taste and see that the Lord is good.

Souls Saved While on Furlough

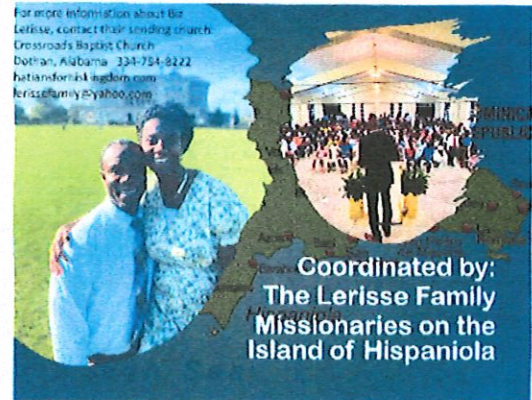

One of the many blessings of this furlough was being able to witness in hotels, restaurants and with friends to plant the seed of the gospel and to see the lost call on Christ for salvation.

Month-long Campaign Ahead

Presently while knee deep planning for this huge community Christmas event, I am also coordinating a month long evangelistic campaign for the Island of Hispaniola. 25 partners in the States will be paired with 25 churches on the Island of Hispaniola. Over half a million John/Romans and gospel tracts are being sent to us and during the month of January, all over the island, churches will be putting forth concentrated effort to pass out the literature and preach the gospel to all who will hear. Please pray for this campaign that the Holy Spirit would purify and prepare His servants to this task, that the Holy Spirit would prepare the hearts of Haitians and Dominicans to hear, believe, receive and bring forth fruit with patience, and finally that the Holy Spirit would bring many to a saving knowledge of Jesus Christ and true repentance adding them to His local church.
