

Dear faithful supporters: Brother Combe and myself would like to thank you for all the love and support you have given to us and the ministry in Mexico City. We truly could not have completed the year without each and every one of you. We have often heard some go, some give, and some go and give but it takes all of us working together for the cause of Christ. I pray for a special blessing over you as a testament to your faith in action. God is faithful even when we are not. What an awesome example and God we serve and love together! Blessings my beloved Brothers and Sisters. We love you and we thank you with all of our hearts.

Sincerely,  
David and Holly Combe
