MISSIONARY LETTER

2024

Pastor Corey and Church Family,

For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. Isaiah 55:8

As we look forward of this new year it is true that we don't know what is yet to be coming to all of us. How we wish that everything will be in accordance to want we want and planning for. But in reality they're were not and most of time it was too far from want we desire with. So we will journey this 2024 believing in God and everything that is to be happen is with His purpose.

PRAISE THE LORD 9 SOULS FOLLOWED OUR LORD AND SAVIOR JESUS CHRIST IN WATER BAPTISM !!! 🙏

The Lord is with us!

The statement is always true in its essence and its meaning. We can attest it in our ministry here in the Philippines and even in our family that God was always omnipresent in our lives. If there was any success and victories in our churches, rest assure that is not because of us, it is simply because of Him. We owe it everything in God! Every souls that has been saved, every churches that has been started, and every men and women we disciple and who surrendered their life in the Lord for full-time in the ministry, every one of these success in the past year, they are of God's. God make it to happen! We can never thank Him enough!

But of course we are always thankful and grateful for all of you who never stop and cease of praying for us and supporting us financially. For all of those many blessings God has been given in our family and even our ministry in the past 2023, you folks are surely one of them. We can never reach and achieve the level of success of what we are right now if not because of all of you that God has been given to us. Thank you! Thank you so much for continuing believing in us! And we can assure you all by the grace of God, that we are earnestly and fervently doing our job and responsibility in the Lord. That's all we can do to compensate your faithfulness toward the Great Commission. So therefore, we give all the glory to our God Almighty!

In Christ,

Brother Mark Ellor Caluag
