## The President's Desk

Welcome to 2024! The year 2023 was a busy and eventful year. We are looking forward to what the Lord has in store for us this year. The theme this year is "More for the Lord in 24". Will you pray with us that the Lord will use the BEAMS ministry to get more Bibles in the hands of converts, send more missionaries to represent the ministry in the USA, more countries to open to ship Bibles, and more Bibles in different languages?

## NATIONAL BEAMS BIBLE CONFERENCE

The National BEAMS Bible Conference is rapidly approaching! I trust that you made plans to attend, February 26-27, 2024. If you can not physically attend, then join us through Faith Baptist Church, Gulfport, Mississippi YouTube live stream. The Lord has given us a tremendous line of preachers.

### 100,000 Bibles!

Last year presented challenges with the geopolitical situation, but God enabled us to send just under 100,000 Bibles this year. To God be the Glory. Thank you for giving to the Lord. In December, we loaded 2,400 French Bibles to be placed in a container for Bro. Nate Wilkerson in Burkina Faso, 960 English Bibles going to Liberia, and 180 Spanish Bibles were sent by a cargo company to Honduras.

### Grateful For Prayers!

Rhonda and I are so grateful for your prayers for our safety as we travelled representing the BEAMS ministry. We travelled to 11 different states and put 30,000 miles on our ministry vehicle. The Lord blessed with boxes of Bibles mailed, decisions made and additional personal and BEAMS support. In 2024, we have scheduled churches in two new states and praying for more. May the Lord bless you in 2024!

### More BEAMS Missionaries Needed

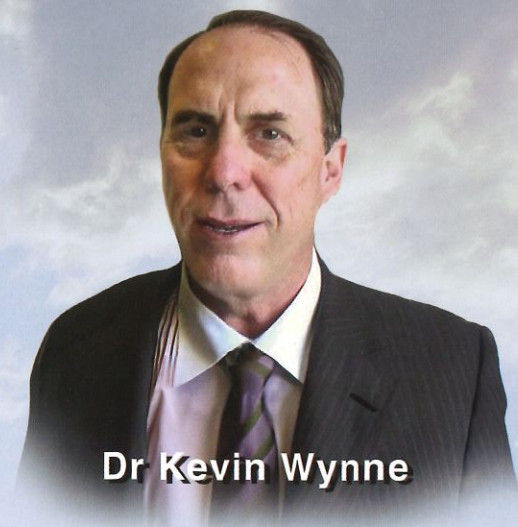

Full-time BEAMS missionaries are needed for the following states: Alabama, Arkansas, Arizona, California, Colorado, Connecticut, Florida, Georgia, Iowa, Kansas, Maine, Massachusetts, Nebraska, North and South Dakota, New Mexico, North Carolina, Utah, Rhode Island, Virginia, West Virginia, Wisconsin, and Wyoming.

Should you desire more information on becoming a BEAMS missionary, you can contact Dr. Arthur Lockard at 228-832-1096.

# What Others Are Saying

*One of the greatest needs on the mission field is the Word of God, of course, to get in the hands of new converts. God has greatly blessed the ministry in Mexico City. Last year we baptized over 26,000 people. We normally have about 500 new converts taking new members classes and these people don't have the Word of God. If they were able to get a copy of the Word of God, it would literally change their life, transform everything. We're so grateful for the ministry of BEAMS getting Bibles into the hands of new converts and getting the Bibles into the hands of those that are now trusting Christ. This is a tremendous ministry. We are extremely grateful and there is a great need. We hope that you will help and support them.*

**Chris & Viry Sage**

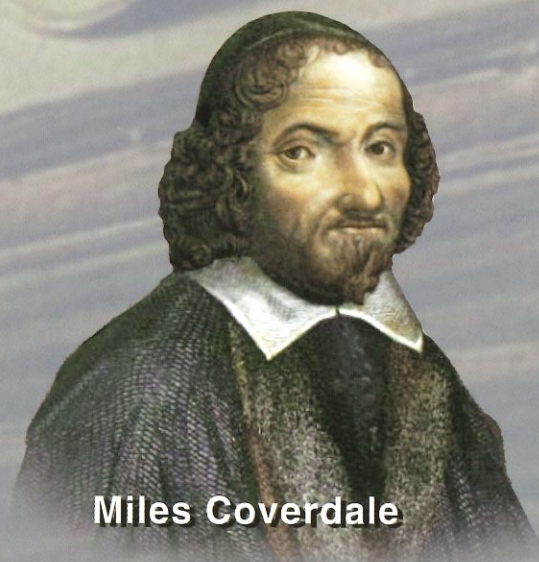

When they demonstrate a sincere desire to follow the Lord, it is wonderful to see them treasure having their own copy of the Word of God, value it, and read it daily. If we could print the Bible ourselves in Mexico, we would be doing so, especially in San Luis Potosi. The kindness and generosity of Christians in the United States has put the blessed Word of God in the hands of countless new Christians in Mexico.

Gratefully yours for souls,  
Chris & Viry Sage

## BEAMS Bibles In Mexico

Thank you for the Bibles that you provided at the missions conference in San Luis Potosi. They are a big help in our ministry in Mexico.

My wife and I help new churches get started by working with the young pastors in the initial stages and bringing soul winning teams as the Lord provides. Most of those attending the new churches have never read the Bible and do not even know how to find the passages.

**Miles Coverdale**

## BEAMS Bible Exhibit

William Tyndale gave us the complete New Testament and a large portion of the Old Testament before his execution in 1534. A close associate who helped with those translation works was Miles Coverdale. Coverdale was responsible for the remainder of the Reformation translations all the way up to the Bishops Bible of 1568. He was a man who fled for fear of his life on two different occasions and left the continent for fear of his own martyrdom. He was at times favored by the king and queen but other times, an outcast. He was, however, always favored by God in the area of translating the Bible in the English language.

## Packing Bibles

*Bro. Scott is scheduling packing groups for 2024. It is a great opportunity for ages 12 and up to help missionaries and national pastors on the foreign field to be able to disciple their converts. If you are interested in bringing a group to pack Bibles, please contact Bro. Scott at our home office 228-832-1096 or [scott@beamsbibles.com](mailto:scott@beamsbibles.com).*
