Dedication Service

On December 10, after many months of non-stop work, we were excited to dedicate our new location. We combined our dedications with our annual Christmas cantata. We were blessed with 43 in attendance. We have found a few of the visitors are looking for a church. Pray as we do follow-up visits with everyone who came and left their information. It was a fantastic service. Our members did a great job inviting as many as possible to attend. They also did a fantastic job on our cantata.

We want to thank each and every one of you who donated to help make the ownership of our church building possible. Recently I attended a meeting in the Mayor's office with the Mayor and other pastors. Only 20% of all churches in this city own a building. Eighty percent have to rent. God has given us a miracle. To own a building is a miracle.

God has already grown our church as we have had a couple join our church this month. Wilson and Miriam have already been a great blessing to our church. Wilson is retired but has been at the church nearly every single day working on the remodeling. He spends hours studying how to do each new thing and then does a terrific job, saving us hundreds of dollars.

We are looking forward with great anticipation to what God is going to do in this new year with our church. Pray with us for church growth in this next year.

If you would like to see a video documenting our building progress and dedication you can go to our [YouTube](#) or [Facebook](#) (johnsons2brazil) to see it. God bless you.
