Dear Praying Friends,

When we came to live in Zacatecas 25 years ago we realized that the city was extremely catholic and not very interested in the truth of the Gospel of Christ. We have been working and witnessing and keepin at it for all these years. There have been many victories and setbacks. It seems now that Zacatecas is still very catholic but much less than before. The only difference is the worldliness and pursuit of sin has greatly increased. We thank you for these many years of faithful support that you all have given us! We will keep at it til Jesus comes! As a great man of God said in the past: Only one life twill soon be past; only what's done for Christ will last!

A few weeks ago a young lady named Fatima was baptized! She is 22 years old and has been coming almost every week. There are many more that need to be baptized and obey God in this command. Please pray that we can convince them of their need. Maria de Jesus and her two kids Ulises and Manuel had moved away about 20 miles. For the people here that is an incredible distance to come to church. Most will not do this. Maria de Jesus has been coming in their little car with her kids! This is a great blessing for us. Her kids love God and want to follow Him. Jorge and his daughter Sophia went out soul winning with us one Saturday. The next Saturday her dad got a new job and he is no longer able to go out soul winning. This saddens us but they are still faithful in coming to church.

Since our last letter Lidia and I were able to lead 44 people to Christ and our church people led another 39 to the Saviour! There were two first time visitors that came to church and one got saved! Also we had one of people get baptized! Thank you for your prayers for us. May God bless you in His work!
