Greetings Dear Pastor:

God has given us a great month here in Southeast Asia. The church in Pran Buri continues to reach people every week. We had two people follow the Lord in baptism this month and we had a special Sunday on February 18th that we called "Valentine Sunday." My wife created a back drop and we took photos after the service. Many wanted photos with their special someone, but we discovered that the trend became having their second photo taken with our family. LOL!

We also had Pastor John Yow from Mt. Pleasant, Texas come and visit us in the beginning of the month. It was a blessing having them with us and getting an opportunity to show them the work here.

He preached for us in both a Sunday morning service and Sunday evening service in Pran Buri.

We also had a great trip to Cambodia where I preached at Liberty Bible Baptist Church on a Wednesday night and preached their school chapel at the dumpsite school. They have started a church and school at the local dumpsite that ministers to those living at the dumpsite. It was a blessing!

Missionary Todd Painter

This is us soul winning out by the Burma border in the jungle area with Pastor Yow and his people. The Lord blessed us that day with an opportunity to see many people saved. Pastor Yow had a fantastic time! Come visit us and we will take to heart stirring places!

Pictured is one of the dumpsite children in Cambodia. This is one of the precious 30 children that they are reaching through their Christian school there. The school feeds them lunch M-F, without that some would barely eat. They would also be uneducated and unreached for Christ.

My daughter had a tremendous opportunity to lead two postal workers to Christ. Usually this place is so busy. This day, it was empty, so my daughter shared a tract with them and they almost asked right away to hear the Gospel. My daughter shared with them and they both trusted Christ!!!
