Dear Praying Friends,

Just recently my wife made plans to celebrate my 60<sup>th</sup> birthday on one Sunday. We had good attendances with special music and testimonies. It was a lot of work and supposedly I did not know anything about it until it happened! On my birthday I went to the church to do some work because I did not want to think about being old! I cut myself with a four inch cutting disk and came back home with a birthday present that I did not want!

Adair, one of our young men, has been helping me picking up people for church and going out soul winning. Recently he held a teen meeting at his house with eight young people there! Praise God for people actively serving Him in the church! We have had six first time visitors in our church services. We always give them the Gospel if they are old enough to understand. Yesterday a little boy came with his three older brothers to the church in Pozo. He did not cry nor misbehave not even a little bit!

Lidia while out soul winning talked with Olga, a young mother, at the hospital. Her four year old daughter is very sick with kidney problems. Olga heard the Gospel and was saved! They had been there three weeks without getting any real answer about the problem. They came from about four hours away. Another time Lidia and Lupe gave a Gospel tract to Azael a 36 year old man. He talked about how unhappy he is and how he has wanted to kill himself. He has a pentecostal background but he did give a good testimony of his salvation. He confessed that he knows that he is far away from God and that he wants to come back. He said that he wants to come to church with us but he has not yet come. Please pray for this situation.

Since our last letter my wife and I have led 36 souls to the Lord Jesus Christ! Our church people saw another 44 trust Christ for salvation! We want to thank you for your faithful prayers and support for us and the ministry here.

Just a reminder, we recently changed our U.S. phone numbers and we ask you to please fix this in your records. My new number is: 956-363-1755 and Lidia's is: 956-363-7909.

Mike and Lidia Lemma
