GROWTH!

We have seen growth in so many areas of ministry. Just to name a few...

- 8 souls saved
- 10 baptized
- young men preaching for the first time
- men and ladies taking on leadership roles
- children's choir began
- mountains of repairs at Grace Oasis
- 3 families come for weeks at a time to help work at G.O.
- positive welcome from chief in Ramotswa for new church plant
- new well (called a borehole here) dug and producing "miracle" amounts of water
- Cataliño family from the Philippines joining our ministry team
- the rest we may only know we see Jesus.

This month we have a video update that I hope you will share with the church family. All blessings come from our Lord but Thank You for letting Him use you to be a blessing to us.
