

PRAY FOR THE HEBERT FAMILY MISSIONARIES TO TORONTO, CANADA

January – February 2024

Pastors and Praying Friends,

I can hardly fathom that it's already March 2024. Time has really flown by! Thank you for praying. Here are some happenings since we last wrote.

In January, we hosted our annual Men's Prayer Breakfast and Revival Meeting, which was once again an incredible blessing with a packed house full of men eager to share food, fellowship, and the preaching of the Word. Pastor Johnston went on a missions trip with his daughter not long afterward, and I had the privilege of preaching for our midweek services in his absence. I really enjoyed taking some time to preach what God has been speaking to me about in the past several months. February's big event for us was the Regional Youth Rally, which we hosted. This was the second in a series of these that we have planned quarterly for the foreseeable future. This time, there were a lot more teenagers, which was a huge plus, and our own church also had much more teenagers than we had last time. I was asked to plan games for the activity, including a Bible Jeopardy with questions from Colossians 1 & 2. For weeks, we prepared our teenagers for the quiz, slowly going through the verses of each chapter. I was very encouraged to see them enthusiastically combing through the Scriptures to find the answers to the practice quizzes. I see great potential in using the quiz format to encourage Bible study! We had a great meeting; many teens from different churches in our region of Canada came together to fellowship and get to know our Saviour even more. Please keep praying for our youth.

At the start of 2024, I was able to start meeting for discipleship with a man named Morgan whom I met out soul winning five years ago. He and his family came to church for a while, but sadly, they stopped coming after some turmoil in their family. Over the years, he and I have stayed in contact, but it wasn't until recently that we were able to establish consistent weekly meetings to study the Bible together. For the past several weeks in a row, we've met for discipleship, counseling, and fellowship, all wrapped into one. It's an honour to walk with him and be a friend to him through a difficult time in his life. Pray that I can be a blessing and help to him.

Please pray for our upcoming *Nowruz* ("Persian New Year") Party outreach. Our area is growing, and the Lord has sent many Iranian/Persian people to live around us. We are hoping to have many Iranian people come to hear about the hope of Jesus Christ. We will have a lot of Persian food and games; and, of course, we will have an opportunity for them to know Jesus as Saviour.

If you would be interested, we would love for you to plan a short missions trip to Toronto.
