Greetings Dear Pastor:

In the month of March the Lord has done many great things here in Thailand. We saw many people trust Christ and two follow the Lord in Baptism.

One of those baptized was my translator Brother Gai. He expressed some real doubt to my daughter one Saturday while we were out visiting. As my daughter pressed him about this, he changed his mind and claimed he was 100% sure of his salvation. My daughter felted burden for his soul and by Monday evening called him on the phone and told him her own story about being unsure of her salvation here in Thailand. Gai decided to bow his head and trust Christ as his Saviour that night.

We also hosted a group from a restricted access nation nearby here at our church. We had their leader preach the service and a group from their college sang a special. It was a blessing to have them as we have helped get support to them from the RMMO (a ministry of West Park Baptist Church in Rockwell, NC). They are doing a fantastic work for the Saviour.

Missionary Todd Painter

We had more Chinese first time visitors come this month. A mother named Rose and her son. (Left) We had as many as ten Chinese in attendance at one time this month. We also had a man named Zhang Hu come on Easter Sunday. He did not get saved, but said he is returning next week.

We went soul winning in Wong Pong one Thursday night this month. Only one person trusted Christ, but it was a blessing to go in that area. It is about 12 minutes from our church and is the first village north of the city of Pran Buri.

The March ladies meeting was the best meeting they have had yet as far as spirit and participation. They had two people get saved at the meeting. They also had a great time making a craft. (Pictured)
