Dear Pastor and Church,

We thank God for His love and mercy, for allowing us to see His compassion and grace toward our ministry and family. Though these last few months have not been easy due to the heavy rain and extreme cold, we have still been blessed.

Despite the cold and rain, we have not ceased in winning souls, reaching the lost, and discipling the new converts. The ministry in the town of Yumbel continues onward by God's grace. We continue sharing the Gospel at the hospital twice a week, handing out tracts at school entrances, and we have new believers who we are discipling. We continue teaching and encouraging our brothers in Christ to love the lost, hoping they will join those of us who go out to win souls.

At the church in Monte Águila, we have had some events, such as one for Father's Day, which was a great blessing. We also celebrated Children's Day, where we saw many visitors come. The Lord worked in a special way, and we saw many children get saved.

We continue doing our bus route through the town of Cabrero, and have been bringing in new families. We seek out ways to evangelize despite the rain and cold, though it is difficult. We ask that you pray for Mrs. Carlina; Mrs. Andrea and her three daughters; Mrs. Katerin and her two sons; for Benjamin, Luisa and her grandmother; for Salvador, Manuel, Lucas and Ismael, all of which are new converts who have started coming to church.

God has been faithful to us this entire time, and we see His hand at work in our ministry. We see His compassion, love and mercy every day He allows us to serve Him. It is a great and undeserved privilege to serve Him in this precious work. It is only by His grace.

PRAYER REQUESTS: For more souls saved; for the spiritual growth of the church, for us to make an even greater effort for the Lord; for my daughter, Noemi's health; for my dear mother who will soon be turning 98 years old.

Your missionaries, the Ventura Family
