Psalm 126:3 The LORD hath done great things for us; Whereof we are glad.

GUYANA! What a mighty work God did on our recent trip to South America. Our host pastor for the Teaching All Nations Conference was Noel Shivnaugh. He and his wife, Charlene, have served in Guyana for over 30 years. When speaking about the conference, Brother Noel said, "I really believe this is the key to reaching others for Christ. We are looking forward to how God will use this program In the future. World missions is God's idea, and we are grateful for your support," **Noel is already enrolling students, and will start Bible College on September 3, 2024.**

Five van routes picked up folks for each session and service during the week. What a powerful influence the Shrivraughs have had on this area as was seen in their five sister churches that Bro. Noel help start.

John Woosley and Ethan Ogle taught public school children. What a blessing to hear our grandson teach, see him go soul winning on the fishing wharf, and feel the excitement after he taught on Sunday.

While in Guyana, we met *Dr. and Mrs. Godson*. He has a thriving ministry in India, and desires to partner with TAN. **He is in the process of translating TAN training materials into four Indian dialects.** They hosted a lovely lunch with curry, rice, butter chicken, and other traditional Indian dishes.

A new experience was witnessing to the fisherman on their boats in the wharf. Several put their faith and trust in Christ from this village.

Guyana has an amazing mix of Indian, Caribbean, Chinese, Spanish, and English food. The ladies enjoyed a time of fellowship while teaching my wife Robin how to prepare local dishes.

Teaching All Nations has been contacted by missionaries and national pastors in the following locations. We have included the cost for travel, TAN Conference, training, and expenses to start a Bible College in their church. When funding is provided, we will move forward with exact dates. These are the countries we would like to go to in the next six months:

Cuba-\$10,000

Kuwait-\$22,000 (We will also train pastors in Saudi Arabia and Iraq and host a ladies meeting)

India- \$16,000 (this would also cover ladies meetings at five locations and multiple churches and two TAN conferences)

Mexico- \$7,500

Guyana- \$6,000

We ask you pray about how your church can invest in these opportunities to start Bible Colleges, train nationals to start churches, and reach a country for Christ.

His Servants,
TAN TEAM
