Dear Praying Friends,

We want to thank you for your faithful prayers and support over these years. We realize that because of this we are able to serve the Lord here in Mexico. Both the Zacatecas and the Pozo churches are doing well. There are always ups and downs. Just recently we had some “good” Christians leave the church for their very good reasons. It seems as we work to get new people to come we have others that feel led to go elsewhere. The most important thing is reaching people with the Gospel and trying to get them into church. We continue our soul winning outreach and our hospital visitation. Please continue to pray for these ministries.

A few weeks ago one of our church ladies called and asked if she could make food to give away to the people at the hospital. Many of these people are very poor and they have to stay at the hospital to take care of their family members. The system here is very different than in the USA. She made about 50 tortas (Mexican sandwiches) and a cooler full of hot coffee. The people lined up quickly and in less than 15 minutes all the food and coffee was gone! We gave them the book of Romans and a Gospel tract. The people were very grateful.

Almost a month ago we celebrated Mexican Independence Day. We had a really good attendance and many people came dressed up in their patriotic outfits. We had special music and a very good spirit that day. We also had a meal after the morning service and the church people always enjoy that! On another day we handed out school supplies to the children in Zacatecas and also in Pozo de Gamboa. There was a visitor that came!

Antonio has been out of church for a number of years and he recently came back! Very few come back to church after leaving. Antonio is the man that promised to serve the Lord if he got a kidney transplant. He received one and shortly afterwards he left church and the will of God. He has been faithful to the services after returning. Please pray for him to return to where he was spiritually before he left church.

Since our last letter Lidia and I led 28 souls to Christ and our church people saw another 30 people trust Christ for salvation! There were four first time visitors that came to our church services.

Yours for souls,
Mike and Lidia Lemma
