MISSION REPORT

Dear: Pastor & Church

Mission can makes a difference and to make a difference we must continue to send, Support and partner with missionaries who will go into all the world with the Gospel messages.

Thank you pastors, churches families and friends for sending us, Supporting us and partnering with us in the mission field. I will never be able to say thank you enough for the investment you have made in our mission and ministry. Your reward and treasure is great in heaven.

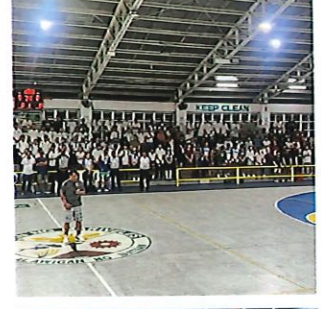

That you for hearing my heart and helping us in time of need specially for all your continuous encouragement. My family and I would not be able to do what we do without you and you are all invaluable to the Amazing Grace Baptist Church and to my family.

Because all of you and because of the Grace of God i have acknowledged, truly am Blessed Beyond Measure, for this was the work of God and not of Man.
