Praying Friends,

October 17, 2024

September was a month of adjustment and learning how to better cling to our Lord's hand. God has been so gracious to us, and we give all praise to Him! Thank you for so many messages of well wishes and prayers. God's people are the best! The first weekend of the month, I traveled down to Jefferson City, Tennessee, to be with Pastor Campbell and Faith Baptist Church. At the end of the morning service, the power went out during the altar call. During the confusion, I was able to lead a visitor named Kevin to accept Christ as his Saviour. Praise the Lord!

Our family has been incredibly supportive on both sides! I spent ten days in New England for meetings (see pictures), and during that time, Rachel's mother flew to Louisville, Kentucky, to help take care of Rachel and Ruby and also to attend one of Rachel's doctor's appointments with her. My grandparents in Louisville were wonderful hosts to them. We are so grateful for God's providence!

After returning from New England, we headed to Lancaster, Ohio, to join the Wednesday evening service at Lighthouse Baptist Church. Pastor Manning and the congregation were such a blessing! We then attended the 50th Missions Conference at Bible Baptist Church in Grove City, Ohio, where we experienced so many kind gestures toward our family. Our hearts are overflowing with gratitude! Rachel and Ruby were especially encouraged, as this will be their last meeting with me before Andrew's birth.

After our meetings in Ohio, we all flew out to Missoula, Montana, to settle Rachel and Ruby in at her parents' house. Again, our family has been amazing! I then flew back to attend a Missions Conference in Terre Haute, Indiana, with Bible Baptist Church, yet another memorable time on the deputation trail!

Soul Report:

By God's grace, I had the opportunity to witness to seven people, and two accepted Christ as their Saviour. While in Londonderry, New Hampshire, I spent three days out soul winning with two staff members from Victory Baptist Church. After much sowing, I had the joy of leading a man named Deontae to Christ! I also shared the Gospel with a man named Casey, who let me use his grandmother's Bible, which he keeps in his truck's glove box.

Family Update:

While I was in Montana, I was able to take Rachel to her first appointment with her new doctor. There are some good signs being shown regarding Andrew's growth. Thank you for your continued prayers! We just published our quarterly update video. You can view it at <https://shorturl.at/1bD9z>, or you can scan the QR code below.

Our support soared again this month to 96%! We are now four churches away from being fully supported. God is so good! Thank you, friends, for your faithfulness to pray, give, and go! Let's press on for Jesus!

For His glory,

Daniel, Rachel, Ruby, and Andrew Solt
