

The Ingrams Missionaries to Brazil

October 2024

*Tim, Ingrid
Joshua, Rebekah*

We thank you for your prayers and support. We want to thank those who sent special gifts this past month. It was a tremendous blessing.

Our attendance has been really encouraging over the last several months, not just in our Sunday evening service, but also on Sunday morning and Wednesday night. On Sunday evening we are averaging between seventy and eighty people.

We had our missions conference this month. We started the missions conference on Sunday with baptizing seven people. We decided to do a week-long missions conference this year. I wasn't sure how our people would respond. Praise the Lord we had over thirty in attendance each night. During the conference, God called five into the ministry, two men and three young men. Our church commitment for faith promise doubled for the next year.

Jean and Priscila - Thank you for praying Jean and Priscila. After many months of working with Jean, he finally came to church. Please continue to pray for wisdom as there are still many battles ahead. Priscila received Christ a few months ago and was baptized. Their daughter Yasmin was also baptized.

Felipe and Larrissa - They have been coming for several months. We have been working with them to strengthen their marriage. Their daughter Heloisa received Christ this past month and was baptized. Felipe has been faithful to our men's meetings on Friday night.

Anderson and Tassiana - They started coming in the past month. Their daughter Julia was struggling. We have been working with them to strengthen their home. Julia received Christ as her Savior and was baptized. Anderson has been faithful to attend our men's meetings on Friday nights. Please continue to pray for their home.

Edson - Edson made a decision for Christ this past year. I have asked for prayer for him for a while now. He was sober and doing well for several months and then crashed. He came back for a few weeks and crashed again. He went to a recovery home in another city and had returned to Franca, but I didn't know where his new home was: I was overjoyed when he showed up on the Saturday of our missions conference for our international banquet. Please pray that we can help him walk in the Spirit.

Walter - I asked prayer for Walter in our last prayer letter. He made a decision for Christ and did well for a few weeks. He crashed and ended up at a recovery home. He's back and sober. Please pray that we can help him walk with the Lord. I am so thankful that the Lord is giving us another opportunity to minister to him

Gabriel - Thank you for praying for Gabriel. I have been visiting him twice a week while he's been recovering from appendix surgery. He has struggled with anxiety to the point that he couldn't come to church. I am glad to report that he is doing much better. We spent time going through the book of John and pulling out man principles. He was able to memorize Bible verses for the first time. This past Wednesday he brought his brother to the service.

Alexandre - Thank you for praying for Alexandre. He had been unemployed and discouraged for over a year. I have been working with Alexandre for several months studying the scripture and applying man principles. Praise the Lord, he has gotten a job and is doing well.

Prayer requests: Pray that the Lord would fill me with His Spirit as I preach and counsel. Please pray for our vehicle situation. We are in need of a larger second vehicle. Please pray for Ingrid for strength and wisdom. Please continue to pray for Joshua and Rebekah that they would walk with God.
