

Remington Ranch Report August – October 2024

I Timothy 2:1 I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;

Howdy Prayer Warriors and Supporters! Prayers have been answered! The S.I. Joint (hip) surgery and recovery went well. I am now ready to gallop full speed ahead. Thank you for your prayers!

August 28 Wednesday SI Joint (hip fusion) Surgery Day! After a long wait getting signed in, they started an antibiotic IV drip and I became really sick. They determined it was because I hadn't eaten in 22 hours. Went ahead with surgery and all went well!! Then came the hard part, take it easy and rest for 1½ months.

September 1 First Sunday after surgery, I felt good enough and was walking better than before surgery, so went to church and preached. Members had not expected me to show. They made me preach sitting down. I've been preach ever since... sitting down. Sept. 9 First Post-op follow up: surgeon impressed with balance and walking, warned me not to overdo it.

18-21 Amy taught at Deaf Ladies Retreat Camp Liberty Oakwood, Texas. While in AZ, BIO Deaf Director David Peach and Stephanie came for a friend's wedding here in Arizona. 22 Missionary David Peach shared his Mission and Preached for us and I got a short breather. I had been cleaning up the office at the Ranch, which had become a storage room.

27-29 El Paso Deaf Baptist Church in TX Invited me to preach the 2nd Annual Faith Promise Missions Conference. We had an awesome time with these great folks! On the way to El Paso, Amy and I celebrated our 33rd Wedding Anniversary. We stopped in Mesilla to eat at a great Mexican Restaurant. After eating, we went looking at the neat decorations and I forgot my cane at the table...guess I don't need it anymore. After 7 years I'm finally walking without a cane!!!

October Had 3 baby calves born at the Ranch this month. One born while I was at the dentist about a very sharp broken tooth. Some of Life's many surprises.

10-12 Amy went to Deaf Baptist Ladies Retreat in Gardner, KS. Amy gets more action than me.

28 Learned from a friend's online Bible class, in Bible times the teacher sat to teach or preach and the congregation stood to listen... Guess I've been doing it the right way. Not sure the congregation would be able to stand that long, I can be long winded.

Prayers & Plans:

During "Rest and Recovery," I started contacting Africa friends about Africa Deaf Camps 2025. Pray we can do Deaf Camps in Benin, Togo, Ivory Coast, and add Ghana and Liberia. This will make 5 camps. **FINANCES FOR 2025 Camps. NEW SUPPORT CHURCHES. DEPUTATION.**

Thank you for your Prayers and Support, we couldn't reach them without you!!
