Dear Praying Friends,

The pictures are of the new work in Dulag, Leyte, about seven hours away. The pastor is Renato Tumandao, 60-year-old retired Philippine Army technical sergeant. He has land and needs money to build a church building.

My wife and I plan on being in the States in March. Let us know if you would like us to report on the work here.

Pray for the work in Catbalogan. Denil Moreno will be starting there full time soon. He will be having an assistant pastor with him. Praise the Lord for the churches that are helping with new church buildings and the support of the pastors. The new church building in Bobon is finished and the new church building in Lope De Vega is almost finished. Several of the pastors need land for a church building.

Last Sunday was the final Sunday of our Fall Campaign. There were 40 saved and three baptized. December 22 is our Christmas Sunday. We will be celebrating Christmas and my birthday. December 17-30 is Help the Needy. Our people have been giving old clothes, food and money to help the needy.

The pastors and students have been building new staff housing. We will also use the building to house those coming for Youth Camp in May.

Please pray God will send preachers for our 2025 meetings. Let us know if you are interested in visiting us here in the Philippines. What a great mission field. We are preaching in the schools, streets, buses, vans, army, police, firefighters, street children, mall ministry, children extension classes, hospital, widows, seniors, Bible college and other ministries.

Pray for the 3000 watt transmitter to be hooked up. It has been approved by the NTC. Pray Gene Sharp can come soon to hook it up.

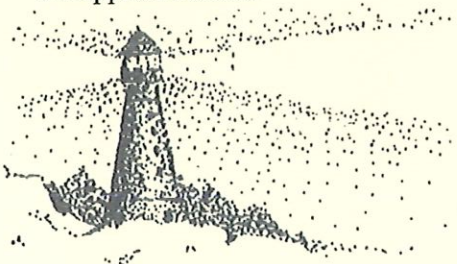

Pray for my wife and my health. My daughter said recently, "Dad, you and Mom are not spring chickens any more." Philippians 4:13 is still in the Book.

Thank you so much for praying and giving for souls on Samar.
