### Praying Friends!

Our hearts are grateful for what God has done throughout this past year! Thank you, faithful friends, for your communication in prayers, notes, gifts, emails, and financial support. You are an encouragement and an essential part of our ministry for Him! All praise to Him!

**Meetings in November and December:** Before reuniting with my family in Montana, I had the honor of attending two very special Missions Conferences. The first was at Shenandoah Bible Baptist Church in Martinsburg, West Virginia, and the second was at Sheridan Road Baptist Church in Saginaw, Michigan. Both churches showed us such kindness that my car was overflowing with their generosity. A special highlight was reuniting with Bro. Justin Williams and his family, former missionaries to England, who are now serving in West Virginia.

On conclusion of these conferences, I made my way to Chicago to drop off the last of our belongings at a shipping terminal, which have now arrived in England. Thank you especially to those who gave for this need. Returning back to Montana, our family enjoyed celebrating Thanksgiving together. Also on that day, we were able to present our ministry virtually to Faith Baptist Church in Berne, Indiana, during their Thanksgiving service. What a privilege and joy it was!

In December, we were able to drive to some nearby cities in Idaho for meetings. We were able to reconnect with Cornerstone Baptist Church, a wonderful supporting church in Hayden. And then our last meeting of deputation was with Treasure Valley Baptist Church in Meridian. We were so blessed by their hospitality.

**Soul Report:** During these final two months of 2024, we had the opportunity to share the Gospel with **six individuals, and five of them accepted Christ as their Saviour**. On an unusually warm November day in Michigan, I met Comisha while door knocking. She was interested and allowed me to present the Gospel to her. At the end, she said, "I understand now why Jesus came." She then sweetly accepted Christ as her Saviour. Hallelujah!

**Family Update:** Praise the Lord! Many of you have been praying for Rachel and her pregnancy. Since November, the doctors have given us more positive updates, and **the level of risk has decreased**. Now we are patiently waiting for our little one to bless us with his presence. **Another answer to prayer is that Rachel's U.K. visa has arrived!** This is one less step between us and England. We ended the year by being involved and serving with churches here in Montana as we celebrated the birth of our Saviour. We are excited about what is to come. **Our target date of departure to England is April 10, Lord willing, if all goes well with Andrew's arrival and paperwork.** Thank you for joining us on this journey of faith. We are praying for you as you serve in your corner of the world.

May our lives glorify Him,

Daniel, Rachel, Ruby,  
& Andrew Solt
