January 2025

Nelia Layne

Dear Praying and Giving Friends,

God has been so good, as always, in 2024. We look forward to a fruitful 2025. We are wishing you all a Malipayan Pasku (Happy New Year) in the service of our Lord.

My wife and I will be in the States for the months of March and November. Let us know if you would like for us to report on the work here.

December 17-30 we will be helping the needy. Many here need to have something for Christmas.

The first Sunday services for the church in Catbalogan will be January 12. Please pray for this first service. Many of the pastors need land and a building. The cost of land is around \$5,000 and the cost of a church building is about \$2,000. Thanks to all that are helping support the pastors monthly. The monthly support is around \$75 month. Several of the pastors are pastoring two churches.

The pastors and students are building staff housing. We are so thankful for the staff that helps us win the lost to Christ.

We have has six new boys move into the dorms thus far since November.

Please pray for the follow up teams that are looking for new Bible students.

The pictures are of three of our pastor's children. Pray that they will serve the Lord. Also there are pictures of the work on the new staff housing.

The harvest here is truly plenteous!!! Thank you all so much for giving and praying for the reaping here. We now have completed all the requirements and payments to add the 3,000 watt transmitter to our radio station. Please pray that Gene Sharp can come soon to hook it up. We can reach many more with the gospel.

This Saturday December 21, we are having the Christmas party for the children. We do not have room to bring all of the children on Sunday. This Sunday we are having the Christmas party for the adults and teens. Praying for many to be saved and baptized.
