Dear Pastor Seulean,

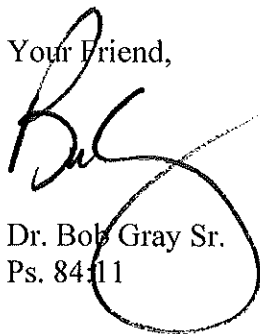

Greetings! I wanted to let you know how grateful I am for your support of SOLVE CHURCH PROBLEMS and the ministries associated with it.

It has been one year since my wonderful wife stepped into Heaven on December 29, 2023. She is finally without pain having endured fifty surgeries since 1980. I am finally settled in my home in Jacksonville, Florida. I am at the Immanuel Baptist Church with Pastor Greg Neal. I teach at North Florida Baptist College and iBaptist College online, write books, do Ministry Moments YouTube broadcast on Fridays, and travel helping local churches. In 2025, I will be involved in SOUL WINNING CLINICS in Central and South America with Pastor Sergio Ali.

All of this is possible because of your support. While I miss my bride of fifty-eight years, I have her as a cheerleader in Heaven. We spent fifty-two of those years in ministry together.

I am regularly seeing folks saved through personal soul winning. In 2024, God allowed 61 to trust Christ with 27 of them following the Lord in baptism. Without your support none of this would be possible.

Your Friend,
