MISSIONARIES to MEXICO

December 2024

Dear Friends,

December was a great month with 887 saved at Church and 567 Baptized and another 141,630 saved in street meetings and 880 Baptized. We had great Christmas services Wednesday and Thursday with 47 saved and 30 Baptized. On the 31st we had a new year service with a great attendance and 109 saved and 68 Baptized! Praise God!

Violence has become very bad in December with many robberies and kidnappings. A group of men tried to kidnap me as I was driving home alone. God protected me and I was able to escape. My dashboard camera caught it all. Someone asked me what the police did. So far nothing but it did give me the chance to lead some police to Christ.

Angelina got saved at the hospital by a group of our soul winners working hospitals. Jose Luis her cousin was killed and her brother Julio Garcia was shot in the mouth but we hope he will survive. Angelina told me she was a professional assassin but now she has trusted Christ she wants to win to Christ her enemies. Christ is the only answer for all of the violence!

The Churches and Bible Colleges we have started are prospering as never before!! Please continue to pray for Deborah and me and our children working with us in Mexico and now other countries as well. We are trying some new outreach and evangelism in Ukraine this month. Pray we can succeed. We love and appreciate you. All this work is fruit for your account in heaven!! Philippians 4:17
