Greetings Dear Pastor:

Hard to believe we are already a month into the new year, seems like it was just Christmas. God is blessing the work here in Pran Buri, Thailand. We have had many saved this month and one baptized. A lady that my daughter won to Christ at the end of December came last week and followed the Lord in believer's baptism.

We were so happy to have Pastor Jonathan Painter from Lincoln Baptist Church come and visit us this month for ten days. He comes out about every 18 months and evaluates the work that is going on in Thailand. Our home church is greatly invested in it's church plants and we as missionaries appreciate that. We also love the visits because our pastor is also our son. He made a video for our home church about his trip and we are going to use that as our update video this month. Please enjoy!

Please continue to pray for us to get a new Thai translator/pastor. We will need this for our long term goal of chartering this church. We had hoped we would be near chartering this church in 2025, but when we lost our Thai national we have been greatly set back.

Hopefully, God will provide soon.

Missionary Todd Painter

This is Pii Eak (pronounced Egg) who is our Songthaew driver and usher. He is pictured here with his wife and two granddaughters. He has been saved since July 22, 2023. He is faithful to everything.

His wife needs Christ, she has heard the Gospel, but not ready to accept yet. Please pray for her.

We had another new Chinese visitor pictured in the white shirt. His name is Charles and he is fluent in English.

He is not saved, but listens and thinks about it. We have many Chinese coming in our vehicle every week. Please pray for Charles to trust Christ, he could become a great tool for Christ!

This is a picture of our Pastor giving the Gospel to a Burmese lady at her home nearby our church. Our pastor is also our son and we were glad to have him come and visit the work with us for ten days. This was his third visit to Thailand and his second to this mission church since we started it in July 2023.
