Romans 15:30 Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me;

Greetings in the name of our Lord Jesus Christ. It is an honor and joy to serve the Lord. Thank you for your prayers and financial support. Thank you especially for the many Christmas gifts and cards. They were a special blessing.

It has been a little while since our last prayer letter and much has happened. There have been many victories as well as some setbacks.

Soccer ministry - We started a soccer ministry this month to get men out to hear the Gospel. Our men are very excited. Each week one of our men have taken turns to preach a short Gospel message before we play. We have had a number of lost men come out.

Evangelism - We go out on Saturday mornings to preach in the park in the middle of town and pass out tracts. When we began, there weren't any other churches in the park. There are now four or five other types of churches passing out literature each Saturday. We have seen several folks respond to the gospel and receive Christ. Please pray that the Lord would bless our efforts to sow the seed.

Men's ministry - We moved our weekly men's ministry to Tuesday nights. We have had better attendance. I have been asked by different men to share our Biblical man principles. Please pray that the Lord would give wisdom about how to share what God has given us to be a help and blessing to others.

Women's meetings - We have begun to have meetings with our ladies twice a month to compliment what we are doing with our men. We have seen positive results with our ladies embracing God's purpose and plan for their lives.

Felipe and Larissa - We have been working with this couple for a while. In the last few weeks, we have seen some incredible breakthroughs. Please continue to pray for them. They are currently going through studies to become members.

Anderson and Tassiana - They came to us a few months ago for counseling. Anderson got saved a couple of months ago. They got baptized this past Sunday. Please pray for them to grow and for their daughter Julia.

Jean and Priscila - They are currently separated. They had a serious blow-up at the end of December and she filed a restraining order against him. Please pray for reconciliation.

Walter - Walter was doing well for a few weeks. He spent New Year's Eve at our home. It was the first time he was sober on New Years since he was nine years old. Unfortunately, at the beginning of January he got drunk and threatened his parents with a knife. He is currently in prison. Pray for him and his parents.

Edson - Thank you for praying for Edson. Edson has been faithful to church over the last few months.

Wellington - He came late to one of our services on a Sunday night. At the end of the service, he raised his hand for salvation. He came forward and received Christ as his Saviour.

Please continue to pray for Joshua and Rebekah that the Lord would work in their lives. They are enthusiastically involved in the ministry, for which we are deeply grateful. They both have good friends at church. Pray for Ingrid as she schools the children and helps with our counseling ministry. Please pray that the Lord would fill me with His Spirit as I preach and counsel. The Lord has given us so many opportunities to minister.
