Dear friends and church family,

Praise the Lord for much fruit spiritually during 2024, here are our 2024 Annual Ministry results. These results include, number one, the Pastors that we support financially in India. These results also include, number two, the Pastors that we financially support in Mexico and many evangelistic meetings. 4,308 souls saved in all the ministries. 34 people Carrie and I personally led to the Lord. 10,554 whole BEAMS Bibles given out, over 30 cases of John/Romans given out. 4 Vehicles brought into Mexico for ministry. Over 350,000 Gospel tracts printed and/or given to churches.

For clarification, here are the ministries that Carrie and I are operating:

BAPTIST CHURCH GROWTH (BCG) is the name of our ministry to support NATIONAL pastors in India and Mexico.

WONDERFUL WORD PUBLISHERS is the name of our Printing ministry.

VERBO VIVO is the name of our Mexican Civil Association recognized by the government.

BEAMS. Bible Education And Missionary Service. is the AMERICAN ministry in Gulfport, Mississippi, that purchases all the Bibles for us to distribute here in Mexico. We do have Mexican churches that are now giving offerings to purchase more Bibles to be distributed. Amen!

Last Saturday, Carrie and I went to the bus route and visited some regulars. Then we went door knocking. Carrie met Alma. Alma listened to Carrie present the gospel. She happily accepted Jesus as her Savior. When we returned home to our own neighborhood, we knocked the doors on one of our streets. Marcelo listened to the gospel and asked a lot of questions about death. But at the end, he prayed with me to invite Jesus into his heart and life. People need the Lord. We do not well if we do not tell. Let's go and tell. (2 Kings 7:9.)

All of our Pastors in India tell me of the horrible civil strife up in Manipur, India. Many of the Baptists in their churches have been placed in "Refuge" type camps because their homes have been destroyed, or because of fleeing from the religious persecution. In spite of the unrelenting attacks, our men there have remained faithful in presenting Jesus to the lost and pastoring the flock of God. Please pray for the Pastors and people of Manipur.

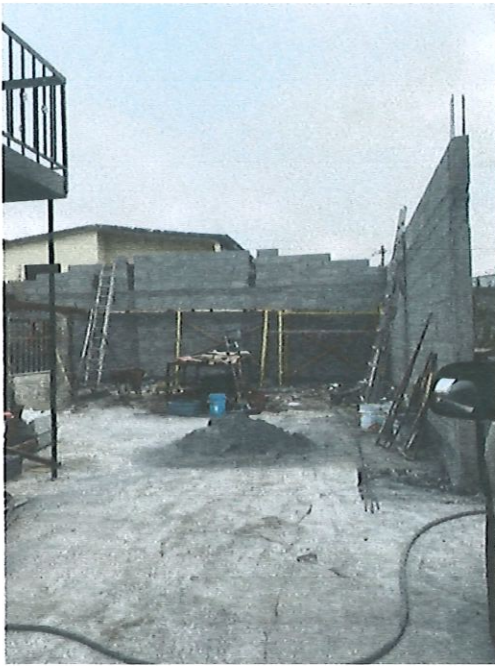

Our new Print Shop is taking shape. All four walls are up. I am laying out the trusses today and will weld them together this week. We will lift them up and install them Monday Feb. 10 and then install a sheet metal roof. When finished, we will have close to 1,000 sq. ft. of working space to print and ship Gospel tracts. The floor will be concrete, poured professionally with very hard concrete. We will have a large overhead door to bring materials in and out for shipping. Thank you to those who have already helped financially. God bless you. Thank you for praying for our safety and wisdom as we work.

With Heartfelt Gratitude,

Dan & Carrie

Dan and Carrie

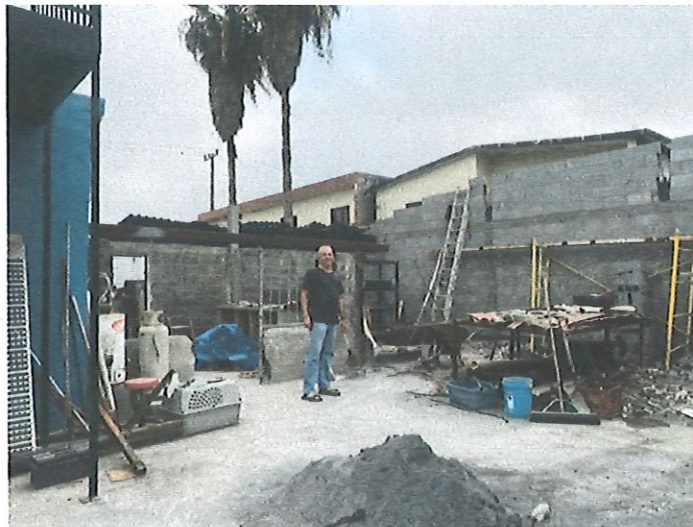

Construction on our property for the Wonderful Word printing ministry.

Walls are built ready for trusses. The trusses have all been paid for. Glory! Block walls and footers are up and fully paid for. Amen! **Thank you to those who sent some generous offerings for this purpose.**

Now to put up the metal trusses. Laying it out today and tomorrow and putting them on the walls Monday, Feb. 10. Then we will put on the sheet metal roof. One sheet of metal will cost \$45.00. We need 18 sheets. \$900.00 dollars total for material. We do have some used sheet metal but not enough to cover the whole roof. Thank you for praying.

After the roof is put on, preparing to pour the cement floor. Some of it is already a thin not strong enough for equipment. In this picture about the center of the pour cement. The bid is \$1,746.76.

we will begin cement floor but heavy printing I am standing in room where we will cement floor bid is

Thank you for praying as we build this much needed workroom. We are building as the Lord provides the funds. Amen!

We have one Rizo printer working right now and have 40,000 English tracts printed and ready. We will have 60,000 finished by next week, then we will start printing 40,000 Swahili tracts. Please pray for our machine to keep running. Praise the Lord at the end of February we will be picking up a (new to us) used Rizo machine in great working condition. It will be used greatly in the printing of Gospel tracts and will speed up the ability to print more tracts in a shorter amount of time. Amen! Praise the Lord for a great Christian brother who wants the Word of God printed and has provided the machines for us to do so.
