Dear Praying Friends,

We want to thank you for your prayers and support over these many years. We are getting older but we are still trying to cram our schedule full of the work of the Lord here in Zacatecas. We took a trip to the border to take care of different details. On the way back our van broke down! We lost two hours of time waiting to be towed and then for the mechanic to rig up the problem to get home. While the mechanic was fixing the van Lidia was talking to his teenage son Gael. Gael heard the Gospel and asked Christ to save him!

I started to have one man from our church preach a message each Sunday. I am asking them ahead of time so that each week there will be one message from them to the church. I want them to be involved in the work of the church. In our Pozo church there are a few boys that are very rough around the edges! Edwin and Hugo are now trying to stop cussing. That is all they hear at home. They catch themselves after the fact but are trying to stop this bad and evil habit.

Wendy and Raul each brought a visitor to church this past month! There were three other first time visitors that came to church in Pozo de Gamboa. Lidia went to Claudia's birthday party. While there she witnessed to all the people giving them the Gospel! They all heard a clear presentation but there was much resistance and no one got saved.

Since our last letter Lidia and I led 22 souls to Christ and our church people led another 42 to the Lord! Please continue to pray for us as we work in the harvest that God has given us.

Yours for souls,  
Mike and Lidia Lemma
