Dear Friends and Faithful Supporters,

As we begin the new year, we rejoice greatly over the mercies and kindness of our Lord God in our lives and over His work. Beginning our year in fellowship and communion with the believers, a week long workshop on music, modesty and evangelism, a week long revival, and the celebration of our 15th church anniversary kept us busy and praising God for His goodness.

On December 31 we hosted the young people at our house and enjoyed games and fellowship as the new year came in. The blessing of God is that He has knit our hearts together in love and the young adults and older teens love their church and their pastor and his wife, they enjoy spending time with us, the Lerisse kids are always up for a party and this communion gives many opportunities to speak truth into their lives as we play and eat together.

Evangelist Paul Crow, Pastor and Mrs. Allen Johnson, and Missionary Eduardo Miguel taught for a week on music, modesty, and evangelism. Twenty pastors and their wives participated during that week and in the evening we were challenged during a week long revival to give our lives to the Lord, to love what He loves, and to preach the gospel to every creature! So many of our people worked hard hosting visiting pastors, transportation, cooking, decorating, and other behind the scenes activities! We ended the revival by celebrating our 15 year church anniversary with almost 350 in attendance, 11 were saved and baptized, we worshipped the Lord with much singing, we were challenged by a message from Evangelist Paul Crow and ate together to celebrate the goodness of the Lord over the Living Baptist Church. The Lord has transformed lives and a community by the power of the gospel!

We are presently preparing for a month long soul winning campaign. 34 pastors in the Dom. Rep., Haiti and Cuba will be ramping up their soul winning efforts for the month of February. Please pray for many to hear the gospel. Pray for every book of Romans and gospel tract distributed to be used by the Lord, and pray for souls to be saved, baptized, and added to the church.

Thank you for partnering with us all these years! God is doing great and mighty things, please do not get weary in the work of prayer!
