

## Bible & Literature Missionary Foundation Update February 2025

BLMF • Co-Founder: Dr. Robert Lemmon, Jr. • Director: Dr. Shannon Lemmon

### 210,000 Scriptures Have Been Printed! **Your Role in the Mission Mandate:**

A dear Supporting Pastor, Brother Andy Broskie, recently mentioned from his pulpit during our visit, "We, as the Local Church, have a Call to Action!" What a tremendous reminder that our command from the Lord is not to simply enjoy the good Christian life in our wonderful congregation, but to consistently be on the front lines getting the Good News of Christ to all we can! This call to reach the entire world with the Gospel seems a difficult task until you realize the resources God has given the Church today. In our generation, we can produce hundreds of thousands of Scriptures in weeks' time, then ship it from this little town in Shelbyville to over one hundred countries around the world! Missionaries confirm that each Scripture on the mission field reaches eight to twenty lives, so within one year's time, your faithful support through BLMF reaches twenty to forty million precious souls! What an investment! Thank you for your friendship, help, and prayers as you partner with BLMF as part of your Call to Action in the Great Commission! -Dr. Shannon Lemmon, *Director*
