MISSIONARIES *to* MEXICO

January 2025

Dear Friends,

January was great, with 820 walking the aisles for salvation and 508 Baptized in the Church services. Another 31,453 were saved in preaching services and 309 Baptized off the Church property. Many of these have started attending Church afterwards. Our attendance continues to grow thanks to God!

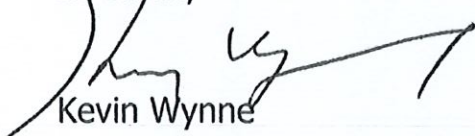

One example of souls saved is Noe and his family. Noe received Christ out soul-winning. He came to church, was baptized, and began to have Bible studies at home. His wife Angelica was not happy. She worshipped the Saint of Death. After 4 months she finally received Christ and everything changed! She helped lead her daughter to Christ and now the whole family is serving God!

We started our first church in Paraguay in January and sent out another family to start another church in Colombia. We continue to see many thousands saved in South America, Asia, Africa, and India.

I will try to get you a report on how many in the next letter.

None of this is possible without your support and prayers! God is using you to reach people who never would have heard the gospel. This is all fruit for your account in Heaven!

In Christ,

Kevin Wynne
