Dear Praying Friends,

These two months have been a whirlwind of activity. In January, we helped a church in Masindi conduct a teen Youth Camp. First, we worked with 5 different churches around Kampala, and we were able to bring 64 campers. The camp had a total of 182 campers this year, which has been steadily going up for the past 3 years that we have been working with them.

I am so very happy to have a good worker, Kenneth, who headed up many different crazy games. The teens loved it, and it made camp so much fun. The different preachers also did a great job of inspiring the young people to live for God. I preached a sermon about saying "YES" to Jesus. I told them that they must actively decide to say yes. If they made no decision, then they were automatically saying no. So, **the altar was full of teens saying yes to Jesus.** It really was a great time; 15 received Christ, and 7 were baptized.

Then we had Evangelist Jerry Williams visit from the States, and he stayed with us for a month. He is 75 years old, is still preaching great, and is actually considering moving to Uganda. I took him to visit a bunch of churches I have been working with. So, **in 4 weeks, we visited and preached in 11 churches and also had 3 small meetings**, with each having about 10 pastors. The question-and-answer times with them were really great.

Thank you for your prayers and support.

In His service,

Gregg, Angela, Virginia, Micah, and Zachery Schoof
