## [Galatians 6:1 Ministries](#) - March Newsletter

**Dear Friends and Supporters,**

We are overwhelmed with gratitude as we step into March, reflecting on the incredible ways God is blessing this ministry. In the seven and a half years since we arrived here, we have faced battles, but we cannot begin to tell you how mightily God is using [Galatians 6:1 Ministries](#) to touch lives. Restoration is on the rise, and this ministry is playing a vital role in making that happen. The responses we are receiving are absolutely incredible! We are helping more people than ever—not just here at the Red Barn, but through the growing influence of this ministry beyond these walls.

We are also excited about the Choma's becoming more involved as soon as possible. Their passion for restoration aligns so well with our mission, and we know God will use them in a great way.

### **Expanding Resources and New Courses**

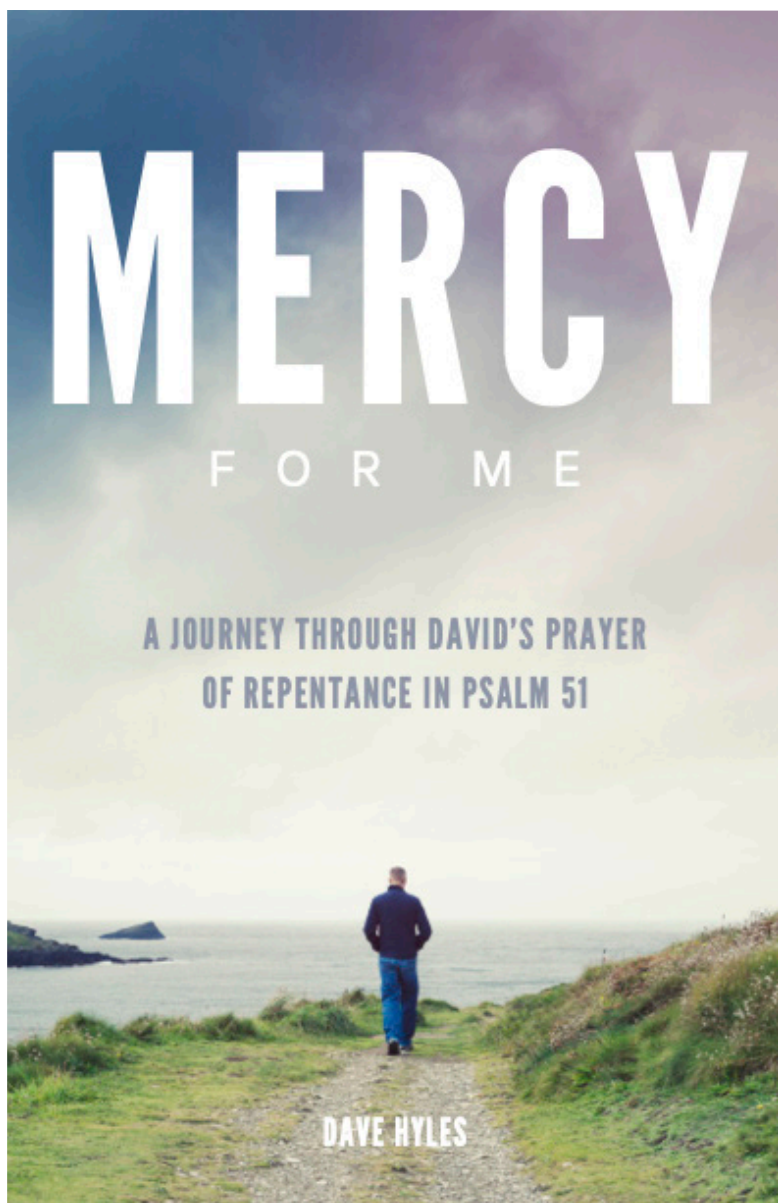

The launch of our website has been well received, and we are thrilled to have three courses already available:

- Jesus the Master Restorer
- Parents with Prodigals
- Overcoming Pornography for Men

And there's more to come! We are actively working to add additional courses in the near future, expanding our resources for those seeking restoration and healing.

### **New Book Release – Mercy for Me**

One of the most exciting developments is the publication of *Mercy for Me: A Journey Through David's Prayer of Repentance in Psalm 51*. This 36-day program walks through the depths of David's prayer, revealing the transformative power of true repentance. We are beyond excited to share this book with you! It will be available very soon, and we will let you know how you can get a copy. We hope many of you will not only get one for yourself but also consider sharing it with others who need encouragement in their spiritual journey.

### **God's Faithful Provision**

Since stepping out by faith in 2017, we have trusted the Lord week by week, month by month, to meet our needs. We thought we knew what it meant to live by faith, but nothing compares to what we have experienced over these past seven and a half years. Time and again, God has provided in miraculous ways.

We have had moments when we were waiting for a bill to be paid, and just at the right time, we'd check the mailbox and find an unexpected gift—sometimes \$50, sometimes \$500, sometimes \$1,000—the exact amount needed at that moment. We stand in awe of how God moves in the hearts of His people to keep this ministry going.

If you feel led to support [Galatians 6:1 Ministries](#), here are a few ways you can give:

- By Mail: Checks can be sent to the Red Barn or to our home church, Immanuel Baptist Church, made out to Galatians 6:1 Ministries.
- Online: Visit our website, where you'll find options for online giving.

We are deeply grateful for every single one of you who have faithfully given. May God bless and reward you for your generosity in helping restore lives.

### **The Battles Still Come, But God is Greater**

Satan has not stopped fighting us. In fact, the battles arise often, but we have learned to trust the Lord, and He sees us through. We are stepping into new areas of ministry, trying things we've never done before, and seeing God's blessings in ways we could never have imagined.

Looking back, as hard as 2024 was, we now see how God was preparing something greater.  
[Galatians 6:1 Ministries](#) is moving forward with more fervor and excitement than ever before.

From the depths of our hearts—thank you, thank you, thank you for being our friends, for loving us, for standing with us in this ministry. We pray that God blesses you abundantly for your kindness, your prayers, and your support.

May He keep you in His grace and strengthen you for the work He has called you to do.

Sincerely in Christ,  
David & Brenda Hyles
