Dear Friends and Supporting Churches,

"Brethren, pray for us." (1 Thessalonians 5:25)

It is my pleasure to report to you that, in answer to prayer, the work in San Jose Pinula is prospering now that we have a new meeting place that has more room. Two new converts, Ana and her husband Henry, gave us the opportunity to use their house to have the meetings. Please continue to pray for the work in San Jose Pinula.

Meanwhile, soul-winning work continues for both San José Pinula and Cristo Rey Piedra Parada, and we are seeing souls saved, baptized, and receiving discipleship. Also, we have recently received another shipment of Bibles here from the USA, which will be distributed to different churches throughout the country. A big thank you to those who contributed to this effort and especially to Pastor Thomas Green and his staff at Directline Ministry for making the shipment.

Urgent

Last month while soul winning, I saw a family of seven receive Christ as Saviour. They all promised to come to church, but only one of them kept her word and came. That Sunday afternoon, I returned to the house and talked to the man about his broken promise and about how important it is to keep your vows before God. The next day, this man had a bad stroke, which left part of his body paralyzed. Now the entire family is blaming his stroke on me, saying that I made it happen. Please pray for this man, Fausto, that God will heal him.

When I was writing this letter, my health was a little problematic. Please pray for me. Thank you for your prayers and support.

In Christ,

Angel & Noemi Lopez
