
Amazing Grace Baptist Church

MISSION REPORT

Dear: *Pastor & Church,*

The continued Mission and Ministry of AGBC this year 2024 are a crystal clear: Building lives, Soul winning, Church planting, and Training the Nationals. As a Missionary and As a Provincial Director there is a little question and a big challenge for us as we celebrated our 21st Church Anniversary. On how to continue the unchanging mission to a changing world? Well remember "Ecclesiastes 8:12" that everything's gonna be all right! There is a problem that bothers us but there is also a promise that blesses us. God still in on the throne and he is in control. So let us Keep On and Keeping on in Mission.

When we look at the landscape hostically, AGBC is a home to a strong network of Spiritual health, and Church planting, which support the Local Pastors, and Contributes training for the Church Workers. The Mission continues to see new entrants challenge in building Churches, including the Soul winning program and Making Disciple or Bible study for new ways to improve the impact and efficiency of the Ministry.

Despite the challenges in today's Generation, God's is Faithful and by his Grace the future of AGBC will be Fruitful. During the past year by the Grace of God and by the generous gift of Prayer partners and Faithful supporters we build another 3 churches in Bataan. and also praying this year to build 3 more churches and praying to buy 5 acres of land for a camp site that can help fuel the continued success of sector that contributes to AGBC Mission and Ministry. Then latter on our Vision is to build a Basketball court and Dormitory for Men and Women for Grace Bible Institute, and it will be a Family center in Bataan Pastors.

Praised God for 39 soul who accepted the Lord Jesus Christ as their Lord and Personal Savior during our 21st Church Anniversary. Heaven is Rejoicing over one sinner that repented from their sin.

PRAY FOR THIS PROJECTS
