Dear Friends and Supporters,

Happy April, dear friends!

It's hard to believe that we're already one quarter of the way through 2025. Time truly does fly. We've always loved the month of April—it brings so many thoughts and reminders to our hearts.

Of course, the month begins with April Fool's Day. While it's not a day we celebrate, it does cause us to reflect on the foolish choices we've all made at times in our lives. And it reminds us just how much we all need restoration. Perhaps the most foolish belief of all is thinking that God cannot restore someone who has fallen. We're here to tell you—He absolutely can, and He absolutely does.

April is also a very special month for us personally. We celebrate David's birthday on the 7th, and just a few days later, our wedding anniversary on the 16th. This year marks 39 years of marriage, and we are overwhelmed by God's goodness and grace in our journey together.

But above all, April brings the joy of **Easter**, the celebration of the resurrection of our Lord and Savior, Jesus Christ. That empty tomb is the foundation of all restoration. Because He lives, we have hope—not just for eternity, but for today.

This month will be a full one for Galatians 6:1 Ministries. We are hosting our **first Restoration Workshop of 2025**, and we are truly excited about what the Lord is going to do through it. If you're not able to attend this one, don't worry—we'll be announcing **two more workshop dates** in the days ahead. Please prayerfully consider joining us for one of them.

We would be so grateful for your continued prayers. We need them—for **our health**, for **God's wisdom** in every counseling session, and for **strength** as we walk alongside those who are hurting. The work of restoration is not easy. It's often heavy and heartbreaking, as we bear the burdens of others. But we count it an honor to serve in this way, and we could not do it without you.

Financially, we are facing some real challenges this month. A couple of churches that had been supporting us have stopped, and while we believe there's still friendship there, the drop in giving has created a gap. As of right now, we are about **\$2,000 short** of covering our monthly expenses. [If the Lord lays it on your heart to give, we would be deeply thankful.](#) And as always, your **prayers** mean the world to us.

There are always **repairs and ongoing needs** at the ministry property. The costs never stop, but neither does the work God is doing. We are trusting Him and looking to His people to help carry the load.

TOGETHER, WE CAN HELP THE FALLEN.

Galatians 6:1 Ministries is dedicated to the restoration of those who have stumbled—and you can be a vital part of this work. Here are three ways to partner with us:

1. Pray.

For those who have fallen and are seeking restoration, for the counselors and spiritual leaders who walk beside them, for those impacted by their fall.

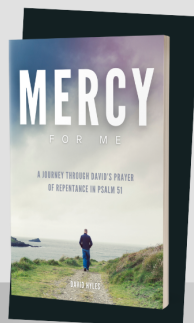

2. Give.

We are a faith-based ministry and do not charge those who come to us for help. Your financial support allows us to offer hope and healing freely.

3. Share.

Help us reach those who need restoration. Connect us with others who may be quietly hurting. Let them know: there is hope, and there is help.
