Greetings Dear Pastor:

The end of March has come and my family and I arrived in the States on March 24th.

We are here for the next four months because we have three daughters getting married. Our first wedding is April 18th. My wife also has a doctor appointment on April 1st, which is important for her to have a check up.

It has been a burden on my heart to leave the work in Thailand because we did not feel like the church was ready for us to not be present. However, by faith we have left it in the charge of several nationals and I will be preaching Sunday mornings from America.

Partly, so my wife can translate for the Chinese from here in America by a remote connection.

Su Tin is still at our church until at least the end of April. He has said he is still trying to decide about coming on as our Thai pastor. It is a help having him there and he will be doing the preaching on Sunday nights and Wednesday nights. while I am gone.

Thank you for your partnership with us!

This is Faith (left) who is one of Debbie's converts. Faith is a teenage girl who has been coming faithfully to every service and soul winning. Debbie has been training her to give the Gospel and she has seen a total of seven trust Christ. We are praying she continues to grow.

It did my heart good to get on our security camera and see our people praying at the end of soul winning our first Thursday that we were absent. These four along with two others saw four people trust Christ this night. It is great that I can be in America and the Gospel is still being given out there.

We had a fantastic Sunday on the 23rd with 46 in attendance and 3 first time adult visitors. We saw this lady Bpo trust Christ at the invitation time and then follow the Lord in believer's baptism. We capped off the day with 23 in the evening service.
