Dear Pastor Seulean,

Thank you very much for the extra support the last 3 months. We are deeply grateful and it is being put to good use.

We noticed our support increase from \$50.00 a month to \$100.00 dollars a month the past 3 months, and it is well recognized, greatly needed, and much appreciated. We are not sure if it is just a special extra or a regular monthly increase, but we do want to express our gratitude nonetheless. We also want to thank you for your many years of faithful and consistent generous support of our ministry. Churches like Hopewell Baptist Church have made a great difference in our ministry and in eternity.

It has been amazing to see the Lord work as He has led my wife and I into a ministry of evangelism and church planting. He is an amazing God! He deserves all the glory! He has given us faithful and diligent workers who are fully committed to Him and His work. Last summer the new church plant was running 75-100 people each week before we left. We just finished an 8-week evangelistic campaign in Uruguay, a country rightly named "the graveyard of missionaries," but even there the Lord worked in a great way.

Again, thank you for your faithful and generous support and for the recent increase. It is a great privilege and honor to be one of your missionaries.

Gratefully yours for souls,
