Dear Praying Friends,

We have been working the last few weeks building a room for a permanent baptistry. This one is being built with concrete, solid blocks and much rebar. In a few weeks we should be finished with the construction! We are already talking to a few of our people who have not yet followed the Lord in believer's baptism. For many years we have been using a horse trough filled with water! This will be a great improvement.

We are presently planning for a wedding next Saturday. Two of our young people are getting married on that day! Obed has grown up in our church since a small child. His future wife has been in our church for many years. It seems all our young people are getting old just like we are! Please pray for this future family to follow God's will for their lives.

Lidia held a ladies' meeting in Pozo de Gamboa a few weeks ago. There were 19 people in attendance. One first time visitor came. She is a family member of a few ladies that come to church with us. Lidia took her to the side and gave her the Gospel but she did not get saved. We had another six first time visitors come to our services. We always take them to the side and witness to them. All hear but only some get saved. One of the visitors that came to church was a lady named Getsemani whose mother in law comes to church with us every week. She heard the Gospel and trusted Christ to save her!

Since our last letter Lidia and I saw 19 people saved and our church people led another 31 souls to the Saviour! We thank you for your prayers and support!

Yours for souls,
Mike and Lidia Lemma
