

Bible & Literature Missionary Foundation Update April 2025

BLMF • Co-Founder: Dr. Robert Lemmon, Jr. • Director: Dr. Shannon Lemmon

Over One and a Half Million Already Printed! Two are Better than One!

I always enjoyed listening to Grandpa share stories about the beginnings of this ministry. He constantly praised God for His calling, leading, and providing day by day and year by year. (For this reason, we understand that today we are enjoying the reaped benefits of the days of sacrifice lived out by Dad and Grandpa when they founded BLMF in 1968.) Of course, his concept of BLMF made him a bit of a “voice in the wilderness” back then. Grandpa said he would call some pastors and share the vision God had given him for a local Church Bible-printing ministry, and some would respond with, “You’re a nut, Bob! One Church cannot produce the Scriptures alone!” To which my grandfather would respond, “That’s why I’m calling you! We can’t do it alone, but we can together!” In 2025, we agree wholeheartedly! We do not take it for granted that every Bible printed, bound, boxed, and shipped is the result of the faithful support of God’s people who share in the great vision and burden to truly reach the world with the printed Word of God! “Two are better than one; because they have a good reward for their labour” (Eccl. 4:90.) The reward for countless souls saved, Christians edified, Churches planted, and nations changed will be out of this world, and we couldn’t do it without you! -Dr. Shannon Lemmon, *Director*
