

GREAT COMMISSION

Mission

MARCH 2025

Bro. Crews with veteran missionary Robert Smith to Brazil

What's Happening

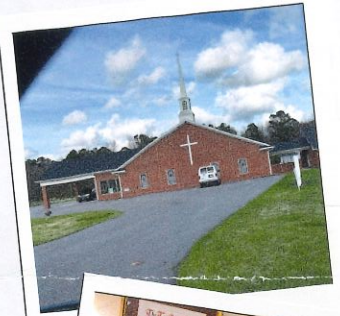

Luke 15:7 says, *...joy shall be in heaven over one sinner that repenteth...* My soulwinning partner and I were recently doing a follow-up visit of a prospect. Raquel was thankful that we stopped by again, and she tried to get her husband to come outside to speak to us. He declined, but her adult son came out. About five minutes into witnessing to him, the husband finally stepped outside. I started over with explaining the Gospel, and both men decided to trust the Lord as their Saviour. Praise God! Pray for this family to visit the church.

I am asking prayer for a serious health concern with my neck that has become progressively worse over the past month or so. Because of this neck condition, I have postponed or canceled several meetings including the church-planting trip to Togo that was scheduled in May. My updated plan for this year is to have fewer Great Commission Mission trips for training and church planting in order to focus more on my health, deputation, and raising financial support.

Regarding deputation, we praise the Lord for a new supporting church in North Carolina and that our support level is now at 10 percent! We also thank the Lord that we have 19 meetings scheduled for this year. My prayer and desire is to be used by God to be a blessing to churches in the matter of world missions and fulfilling the Great Commission.

- David Crews, Director

Did You Know?

YOU can be an Accelerator of the Great Commission Mission! We now have more than 70 individuals who are giving \$10 per month to accelerate the work of the Great Commission in many regions around the world. For a SMALL amount of monthly support, individuals can play a HUGE role in funding: soulwinners who are training soulwinners, churches that are planting churches, and our Mission Aviation ministry that is working to supply men and materials to needy areas. All this is for the purpose of being able to see the Great Commission started and completed in the lives of individuals. We have a goal of being able to partner with 1,000 Accelerators! Will you be 1 of 1,000?

Projects to Fund

Please pray for the upcoming trips and projects that need to be funded. I am excited about the church-planting trip to Togo, and it is still going to happen. It has been postponed due to my health but will be rescheduled for a later date.

Pastor Neal's book *Greatly Commissioned* has been translated into French! It is now ready to be printed, and some funds have been given for this project. We need an additional \$1,000 to print 1,000 copies of this book so that we can get it into the hands of national pastors in Togo and the other French-speaking nations in Africa.

Bro. Chris Chaney and I are planning to have a Great Commission Mission trip to Dominica June 16-20. This trip will provide Great Commission teaching and training to national pastors from various Caribbean nations. Pray for God to supply the \$3,200 needed for this trip.

There is also a Great Commission Mission trip planned for November of this year to St. Lucia. More than 30 national pastors and laborers from at least 7 different islands will be there for the teaching and training on the Great Commission. Pray for God to supply the \$3,050 needed for this trip.

To provide ample clarity and accountability, we will communicate with individuals or churches who designate funds for a particular GCM trip or project that becomes postponed or changed.
